

Armando Vicario
Bathroom & Kitchen Collection

Sleek, Simple and Stylish

Located in Gozzano, Italy, Armando Vicario are renowned for their modern design and high-quality kitchen tapware. Their products have been selling for over 40 years, and have consistently used professionalism, experience and constant engagement to produce high-quality taps for a modern design and reliable **“Made in Italy”** mark. Sleek, simple and stylish – the Armando Vicario range displays European elegance that is designed to last and to impress.

Our well - articulated product range starts from modern single lever mixers in a young and functional design, to the most classic old time pieces.

Our Commitment to Sustainability

We are aware at Abey of the precious nature of the Earth's water supply by focusing on the preservation of this natural resource.

We provide a range of products that include taps and showers with water ratings of up to six stars, making them some of the world's most water efficient fixtures. We pride ourselves in offering a collection that is committed to preserving the environment as well as one that maintains top-tier design.
